HAMDARD EDUCATION SOCIETY ANNOUNCES AWARD OF LOAN SCHOLARSHIPS
FOR BRILLIANT MUSLIM STUDENTS

Hamdard Education Society, at the instance of the late Janab Hakeem Abdul Hameed instituted in the year 1986 a Talent Search and Scholarship Scheme for bright Muslim students. The Scheme is being implemented ever since under the over all direction of Janab Abdul Mueed, President, HES. Looking back, from 1986 till 2008 as many as 325 scholarships have been sanctioned and 138 book-grants given.

Applications are now invited from students who have passed the examination mentioned below in 2009 and intend to continue their education at least upto the academic year 2010 - 2011. While awarding the loan scholarships the main stress will be on Science, Engineering and Medicine, but students of Commerce and Social Sciences including Economics may also be considered. The purpose of the scheme is to select extraordinarily bright Muslim students and to fund subsequent education of those among them who are needy and continue to show excellent results, so as to produce leaders in various walks of life. The criterion for selection would be merit-cum-means.

Loan scholarship will be awarded as the following rates to students selected out of those who have passed the respective examinations:

1. High School/Higher Secondary	Rs. 350/- per month
2. Intermediate or equivalent	Rs. 550/- per month
3. Graduation	Rs. 800/- per month
4. Students pursuing Doctorate	Rs. 1200/- per month

The amount of the loan scholarship will have to be paid back to H.E.S. in the same number of installments in which it is given. The repayment will commence two years after completion of education. The loan scholarship is renewable annually subject to the progress being adequate. In case of decline in studies or failure to report progress, the scholarship will be suspended and the entire amount of loan scholarship may be recalled from the awardee.

The selection of candidates will be on an all-India basis. Only those regular students need apply who have secured at least 80% marks (aggregate) in High School or Higher Secondary Examination, 75% marks (aggregate) in Intermediate or equivalent Examination, and 70% marks (aggregate) in Graduation or Post-Graduation Examination, and who are needy. Marginal relaxation in the cut-off point may be made, at Secretary's direction, in respect of candidates from backward states or areas.

Documents should be enclosed by needy students in support of inadequacy of means:

The above cut-off points for eligibility are applicable to Science, Engineering and Medicine students: these will stand reduced by 5% in case of students of Social Science and 10% in case of those who have passed (1) Central Board of Secondary Education, and (2) Indian School Certificate examination.

In addition to a high percentage of marks, intellectual brilliance, creative capability, quality of leadership and the urge to make a mark in life, will be assessed and kept in view while awarding loan scholarship and book-grants.

The best students emerging from a scrutiny of applications will be called for a written examination and interview at Delhi. They will be paid second class Rail fare to and fro. Arrangements for their board and lodging will be made by the Society. Those selected will be given either a loan scholarship to be determined according to the means criterion, or a book-grant. While deciding on scholarships, means criterion will receive special weight. Those who get a scholarship will have to execute a bond for repayment. Scholarship forms can be downloaded from Jamia Hamdard's website: www.jamiahamdard.edu or had from the Secretary, Hamdard Education Society, Talimabad, Sangam Vihar, New Delhi-110062. The Last date for receipt of application forms in this office is 19th September 2009. Examination and interview are likely to be held in the month of December 2009.

Incomplete, illegible and time-bared applications will not be considered. Applicants may kindly note that it would not be possible for this office to reply to individual queries. We should be able to intimate only those candidates who are selected (a) at the first stage of scrutiny on the basis of paper qualifications and (b) the second stage of selection after the written examination and personality test. The Scheme is intended for the benefit of very bright students. It can't be stretched to accommodate hard cases on compassionate grounds.
