Sub: Advertisement for DODL admission

It has come to our notice that some Study Centers are issuing advertisements for admission using university name and logo without authorization from the University. University has taken a serious note of it and hereby direct Study Centers not to indulge in such practice. University has already issued admission notification for 2010-11. Study Centers are advised to follow the Guidelines of University related to admission of students in various courses offered by Jamia Hamdard through Open & Distance Learning mode.

This is for information of all concerned.
